Description

A very beautiful Longwy enamel dish, "The Golden Wedding," featuring a floral design. This high-quality piece features beautiful colors and depicts a floral bouquet of peonies, clematis, and other flowers, whose stems are encircled by two gold rings symbolizing 50 years of marriage. Note the quality of this piece, enhanced by Albert Kirchtetter based on a design by Paul Mignon (Meilleur Ouvrier de France in 1965). 37 cm in diameter, created in the 1960s. All hallmarks and signatures on the reverse. In perfect condition, nothing to complain about. A superb Longwy, with illustrious signatures!
