Description

Oil on canvas. In the lower left corner, the date 1890 and an unidentified signature. (William Barry?). A sweeping landscape framing a valley among heathland hills, composed of rocks and low vegetation, through which a river flows. The predominantly brown tones of the vegetation overpower the river's brightness, which is further dulled by the reflection of the gray clouds. In a period-style frame. ARAROT0319361
