Description

Venetian chest of drawers in waxed walnut with marquetry, dating from the late 19th century. It features an elegant front and beveled edges that soften the corners and give it a distinctive silhouette. The marquetry decoration, composed of delicate motifs, reflects the taste for Oriental influences that developed in Europe during the 19th century. The walnut has a beautiful warm and luminous hue, enhanced by a wax finish. This chest of drawers also offers ample storage space.
