

Minister's Desk Mahogany Paneled Desk

1 600 EUR

Period : 20th century

Condition : Très bon état

Length : 150

Height : 78

Depth : 80

Description

A superb antique ministerial desk made of solid mahogany of very high quality and in excellent condition. Beautiful authentic patina, traditional varnish finish. Its double-sided design allows it to be placed either in the center of a room or against a wall. The visitor side features superb molded coffered panels. The desktop is inlaid with a black leather desk pad in excellent condition. 1 large central drawer that locks (key included). Eight side drawers distributed across two compartments (four on each side) with their original wooden handles. Equipped with two sliding side extensions to expand the work surface. Dimensions in cm: 150 x 80, height 78. It can be easily disassembled into three parts: the tabletop and the two cabinets.
