Description

A pair of delicate painted miniatures depicting two young aristocrats in Renaissance-style attire. One bears the signature "Fragonard," the other "Dupré." The portraits are set in richly decorated square frames, featuring marquetry of ivory-colored plaques engraved with foliage motifs, inlaid with squares of iridescent mother-of-pearl, and edged with dark wood. The medallions are edged with brass. Both are in very good overall condition, with only a few minimal signs of age--virtually nothing. The hanging rings are present; they are ready to be hung.
