Description

A significant antique clock face from around 1900, made of enameled metal and adorned with Roman numerals painted in black on a white background, with the inscription "Dupont Etreux." This dial features a beautiful original patina, with signs of age and oxidation, attesting to its authenticity and past use. The sword-shaped metal hands enhance its decorative character. A very beautiful decorative piece for an industrial-style interior, a loft, or a home with character, or for a collector of antique timepieces. Diameter: 118 cm
