

Salad Bowl Featuring A Boat From The Loire River In Nevers

430 EUR

Period : 19th century

Condition : Bon état

Material : Earthenware

Diameter : 31

Height : 8

Description

Nevers earthenware salad bowl featuring a design of a Loire River boat in the center. The "coiffes," "bourdes," and "piautre" are characteristic details of Loire River boats and their boatmen. This salad bowl, which is not very common, is a nice size... Diameter: 31 cm. Please note two hairline cracks that do not significantly affect the structural integrity of this piece.
