Description

Galerie Georgette Art Deco offers a charming light oak bench from the 1930s. Featuring exquisite cabinetmaking, this bench is upholstered in a dusty pink fabric in good condition. You'll need to reinforce the seat straps, even though the bench is usable as is. This bench features two shelves with decorative niches. The bench has rounded corners, giving it a very attractive appearance. Note that the back of the bench is 105 cm high and can be raised--as shown in our photos--by 35 cm using a matching oak panel. This bench can be placed in a hallway, entryway, or living room, or positioned beneath a mirror or large painting, as shown in our photos. A truly beautiful piece of furniture--come discover it at our store in
