Description

Set of four architectural studies in plaster.England, mid-to-late 20th centuryDecorative set of four English architectural studies in plaster, depicting the Corinthian, Tuscan, Composite, and Ionic orders. Each plaque features relief depictions of the characteristic capitals and associated classical architectural elements.Made in England around the mid- to late 20th century, likely as educational models or architectural studies. The white plaster finish and slight signs of wear give these objects a beautiful sculptural appearance.In good condition, with slight signs of wear consistent with their age.Dimensions: approx. 57H x 38L x 18P
