Description

19th-Century Dutch School: Important Portrait of a Notable Figure - Oil on canvas - signed
Important ceremonial portrait depicting a bearded man, shown from the waist up in a solemn pose. The subject is dressed in a black suit and a white shirt, and wears around his neck a remarkable gilded ceremonial chain topped by a large medallion. His right hand rests on a table covered with a rich red-and-green fabric, next to a piece of silverware, while his other hand holds his garment. The painter pays particular attention to the face, the red beard, the hands, and the details of the chain and medallion, which stand out strikingly against the simplicity of the costume and the dark background. This official portrait likely depicts a high-ranking dignitary or notable figure, as the chain is clearly an attribute of office.
