Description

Pair of gilded Louis XV-style armchairs - Petit point tapestry An elegant pair of Louis XV-style armchairs, crafted from carved and gilded wood, featuring a beautiful, flowing silhouette typical of the Rocaille style. The scalloped backs are adorned at the top with a delicate carved design of foliage and shells. The curved armrests, finished with scrolls, harmoniously extend the lines of the carved waistband. The set rests on four arched legs. The armchairs are upholstered with petit point tapestry on a beige background, featuring bouquets and garlands of flowers in shades of pink and red. The armrests are upholstered in the same fabric. The upholstery is accented by a row of decorative tacks. The gilding has a beautiful antique patina with visible wear and touch-ups, particularly on the reverse side,
