Description

A late 19th-century chiseled bronze double inkwell or desk tray, bearing the initials "AD" on the reverse. The elaborate decoration features a central coat of arms framed by griffins and surmounted by a mascarón, complemented by foliage motifs and openwork friezes. The piece is enhanced by two integrated inkwells and high-quality chiseled decoration, in the historicist style of the second half of the 19th century. A particularly decorative desk accessory that can also be used as a trinket tray. Beautiful, nuanced antique patina, with some signs of wear consistent with its age.
