Description

Art Deco crystal vase. The stylistic design of this vase strongly evokes the creations of Josef Hoffmann for this renowned crystal manufacturer, known for its use of eco-friendly lead-free crystal, its exclusive use of colored glass, and its distinctive, innovative--if not downright unique--design. Likely made between the 1920s and 1930s, it is in excellent condition. Height 24.5 cm / opening diameter 13 cm / weight 2492 g.
