Description

This walnut writing desk opens with a drawer on one side. Originating from Valais, it exhibits all the region's characteristic features: elegance and finesse in the turned woodwork, a rounded X-shaped crossbar, which rests in the center on a fifth leg. In good condition; the wood used was selected at the time with the utmost care and has endured the centuries without suffering from the passage of time. A second drawer once existed on the other side but was removed in the past. Period: 18th century. Dimensions: top 96 cm x 58 cm, height 68 cm.
