Condition : Bon état

### Description

An elegant Art Deco-style cocktail stick holder featuring a stylized fox made of chrome-plated metal, mounted on a rectangular base with geometric patterns. The set includes 10 cocktail sticks, each topped with a small metal ball. The fox's highly graphic silhouette, the geometric lines of the base, and the spherical shapes of the cocktail sticks are characteristic of the Art Deco aesthetic. A piece that is both decorative and functional, particularly representative of the 1920s-1930s taste for bar accessories with stylized and animal-inspired forms. Dimensions: length 17.5 cm; height approximately 9.5 cm with the picks. Condition: good. Has a few small blemishes on the metal surface, visible in the photographs, normal signs of age and wear.
