Description

Vintage Murano blown glass lamp with bubbles, likely dating from the 1970s. This lamp stands out for its imposing clear glass globe featuring numerous bubbles, combined with a wide central band of opal white glass that lends it a soft, luminous quality. The light creates beautiful patterns of transparency through the glass and particularly highlights its artisanal craftsmanship. The globe rests on an elegant circular chrome-plated metal base, typical of Italian design from this period. A piece that is at once decorative, sculptural, and luminous, which will easily find its place in a vintage, mid-century, Italian, or contemporary interior. Period: circa the 1970s Style: Italian / Murano Material: hand-blown glass and chrome-plated metal Colors: clear, opal white, and
