2 200 EUR

Signature : Design Danois

Period : 20th century

Condition : Très bon état

Material : Teak

Width : 230

Height : 83,5

Depth : 48

Description

A very beautiful and large teak sideboard from the 1960s. Danish design, very minimalist, with a symmetrical construction. Two side drawers, two central doors, a small door on the left, and a drop-down door on the right. The solid teak handles, with their sleek lines, blend perfectly with the piece's understated style. In very good condition and fully functional. Beautiful original patina. 1960s.
