Description

"Black Woman in Algiers," watercolor with gouache, 21.5 × 13.3 cm, titled and dated 1859. This watercolor, for which I have retained the original title--which, admittedly, may seem offensive today but was common practice at the time--depicts a charming Black woman in colorful clothing, carrying a basket, likely on her way to the market. Please feel free to ask us for photos or additional information via email or phone. More photos and many other items are available in our Pau store and on our Proantic website.
