Description

Art Deco domed-band ring in white gold featuring a 3.02-carat central diamond, surrounded by white and black diamonds totaling 2.10 carats. 18-karat gold. This elegantly designed piece bears the maker's mark, which is now worn. The contrast between the white and black surrounding diamonds offers superb refinement. The natural central diamond contains some inclusions but represents excellent value, as a stone of over 3 carats is priced here at the remarkably low rate of approximately 1,000 euros per carat. Size: 17 (Italian) / 8 (US) / 56 (EU).
