

Carved Panel, Italy, 16th Century

200 EUR

Period : 16th century

Condition : Bon état

Material : Solid wood

Length : 50cm

Width : 18,5cm

Description

A walnut panel featuring, in the central section on a cartouche inlaid with light-colored wood marquetry, a scene of a wolf hunt. The panel's edges are adorned with plumes. Likely a component of an armchair. Italy, Tuscany, 16th century.
