Description

Maison Regain France 1980 This sideboard was crafted in the 1980s in France and produced by Maison Regain. Made entirely of walnut and walnut veneer with beautiful honey-colored tones. Its front is punctuated by three doors with vertical cutouts, featuring carved wooden handles integrated into the door panels. They open to reveal spacious storage compartments. On the right, a column of three stacked drawers provides practical storage. The piece rests on a recessed base that gives it a lovely sense of visual lightness. The lines are understated and the craftsmanship is meticulous, in the spirit of high-quality French furniture from the second half of the 20th century. In good, used condition. W 220 x D 0.50 x H 92 cm (can be disassembled)
