An elegant Louis XV-style chest of drawers with five drawers, crafted from veneer and marquetry, featuring slightly curved drawers highlighted by decorative frames. The sides are also veneered and inlaid. The piece is adorned with gilded Rocaille-style metal hardware, including handles, lock plates, and corner ornaments. It rests on four arched legs topped with decorative feet. The piece is topped with a beautiful light-colored marble slab with pronounced veining, molded around the edges. The drawers are lined on the inside with floral-patterned paper, likely added at a later date. A particularly decorative piece with slender proportions, in excellent overall condition.
