

Art Deco Chest Of Drawers

1 200 EUR

Period : 20th century

Condition : Bon état

Material : Rosewood

Width : 150

Height : 83

Depth : 54

Description

Stunning Art Deco chest of drawers in rosewood veneer with rosewood marquetry. Very original base in lacquered wood. Very pretty glass handle. It is in very good condition; a trim strip that was on the top is missing, which explains the two holes. It was a lacquered wood strip, like the base. Please note: this is a large model, 150 cm wide.
