

"perroquet" Fischel Coat Rack Made Of Bentwood For The Entryway

600 EUR

Period : 20th century

Condition : Très bon état

Material : Solid wood

Diameter : 70

Height : 197

Description

Stunning parrot-shaped coat rack made of curved beech wood by Fischer, early 20th century. This is a beautiful model used in professional settings, such as bistros, restaurants, and hotels... Early 20th century. Label under the base, and a stamp reading "Imported from Czechoslovakia." Beautiful original patina, just refreshed. Rotating top ring with a double row of hooks. Perfectly stable, Dimensions: 197 x 70 x 70 at the base. This item is also on display in my store in Morbihan, in southern Brittany, where you can pick it up if you wish. For shipping costs, additional photos, or more information, please feel free to contact me by email or by phone (quick and easy) at: 06 50 08 97 17
