8 200 EUR

Period : 20th century

Condition : Restauré par notre atelier

Description

Rare Heuer 3647S Chronograph, one of the first models featuring a Singer "eggshell" dial. No. 57,582. Serviced by Tag Heuer in 2014 (original parts included, with the original smooth crown), with Tag Heuer service invoice and box. Serviced again in 2026 by an independent watchmaker. The Valjoux 92 caliber is in perfect working order. All chronograph functions are operational. Cosmetically very appealing, with an untouched dial featuring a tasteful patina. Polished stainless steel case. Non-original stainless steel rally bracelet. Diameter excluding crown: 35 mm.
