Description

Imposing Domed Garnet 18K Yellow Gold Band Ring
A piece of jewelry with a bold character, combining rich yellow gold and deep garnet red. This band ring in 18K yellow gold features a domed shape and a generous silhouette that is both soft and striking. At its center, a generously sized oval garnet reveals a deep burgundy-red hue with warm highlights. A piece of pre-owned jewelry that makes a bold statement without ever losing its elegance. Wide, domed band; an imposing yet comfortable silhouette for everyday wear. 18K yellow gold (750/1000), polished finish. Faceted oval garnet, semi-closed setting that lets light through. Certified owl hallmark. A Brief History Since ancient times, garnet has been worn as a stone of protection and vitality: travelers carried it as a talisman before each journey,

convinced that it would watch over them on their way. The band, meanwhile, takes its name from its continuous shape--with no beginning or end--inspired by traditional rings. Combined in this ring, these two symbols give it a rare presence, that of a piece of jewelry designed to stand the test of time.
