

Napoleon III-style Display Cabinet, Circa 1890

2 500 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 92

Height : 154

Depth : 41

Description

French Napoleon III-style display cabinet. Display cabinet/bookcase dating from the mid-19th century. Blackened wood edged with brass molding all around. In good condition. Slight signs of wear consistent with its age.

Unfortunately, the original shelf supports are missing. We purchased this piece as-is, and it is fitted with gilded screws to support the shelves. The door closes securely. Dimensions: 154 H x 92 W x 41 D
