Description

An elegant vintage ring crafted in 18-karat yellow gold, with a total weight of approximately 5.20 grams, featuring a rich, floral-inspired design. Set at the center is an oval cabochon-cut emerald weighing approximately 2.00 carats, characterized by an intense green hue. The smooth, domed surface typical of the cabochon cut enhances the gem's color and internal characteristics. The emerald is surrounded by an elegant arrangement of brilliant-cut diamonds, radiating outward in a refined floral pattern. Additional diamonds are set along the shanks of the ring, harmoniously extending the brilliance of the centerpiece. The estimated total weight of the diamonds is approximately 1.00 carat. The warm hue of the yellow gold creates an elegant contrast with the green of the emerald and the brilliance of
