

Mbala Axe From The Congo, Early 20th Century

250 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Length : 35 cm

Description

A traditional axe attributed to the Mbala people of the Democratic Republic of the Congo, consisting of a long, carved wooden handle with a dark brown patina and a widely flared wrought-iron blade. The head of the handle features stylized carved decoration and geometric incisions. The blade, which is set transversely into the upper part of the handle, has a characteristic triangular shape. Details: Period: early 20th century, Origin: Congo, Attribution: Mbala, Materials: wood and wrought iron, Handle length: 35 cm, Blade dimensions: 15 x 8 cm, Condition: signs of use, antique patina, and surface oxidation.
