Description

Large nude study. Beautiful size: 95 cm x 70 cm. The canvas is in perfect condition. This work is signed and countersigned on the back of the canvas. Maurice Rouchy is a well-documented artist of the Belgian school. He painted landscapes, seascapes, nudes, portraits, and still lifes. The Reims Museum holds some of his works. This magnificent nude seen from behind is distinguished by soft lighting, which subtly reveals the body's contours. Its dimensions make this painting a highly decorative piece. I am presenting it in a superb carved wooden Montparnasse frame with a patina, measuring 110 cm x 83 cm. Very good condition.
