

Antique Painting Landscape With Village Oil On Canvas XVIII Century

1 600 EUR

Period : 18th century

Condition : Bon état

Material : Oil painting

Width : 112

Height : 76

Depth : 5

Description

Oil on canvas. 18th-century Italian school. Set amid a rather barren coastal landscape is a small village dominated by an imposing, massive tower--perhaps a silo or an aqueduct. In the foreground, a herdsman rides on horseback, driving his cows. The work has previously undergone restoration and re-lining. It is presented in a late 19th-century frame. ARARPI0307675
