Description

A 1950s cabinet attributed to Ico Parisi, crafted by the Fratelli Rizzi workshop. Made of wood with an elegant mahogany veneer, it features two hinged doors made of wood and glass, which reveal a well-organized interior. The upper section features an open compartment with a glass shelf, while the lower section includes open compartments and a row of five drawers with elegant brass handles. The solid wood side panels with ebonized molding add a touch of sophistication to this piece of furniture, characteristic of 1950s design.MOMOMO0323940
