Description

A lovely academic still life in oil on canvas depicting a generous bouquet of pink and white roses in a blue-and-gold Hispano-Moorish vase, surrounded by peaches, black and green grapes, and pears arranged on a draped cloth in the Orientalist style. An inverted white earthenware bowl accentuates the composition diagonally, in the tradition of the great Flemish still lifes reinterpreted by the 19th-century French school. Beautifully crafted, high-quality painting, unsigned. Period gilt frame with grooves and a row of pearls. DIMENSIONS With frame: H. 110 cm / W. 91 cm Without frame: H. 73 cm / W. 92 cm
