Vintage 18-karat Gold Ring With Turquoise And Diamonds An224

3 450 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

An elegant vintage ring crafted from 18-karat yellow and white gold, with a total weight of approximately 13.00 grams. Set at the center is a striking circular cabochon turquoise, with a diameter of approximately 1.90 cm, characterized by a smooth, polished surface and a vibrant blue hue. The upper part of the setting is crafted from 18-karat white gold and is embellished with multiple rows of single-cut diamonds, for an estimated total weight of approximately 2.30 carats. The diamonds are arranged around the turquoise within an intricate openwork design, creating an elegant contrast between the brilliance of the stones, the white of the metal, and the intense color of the turquoise. The shank of the ring, on the other hand, is crafted from 18-karat yellow gold, giving the piece a refined two-tone
