Description

An elegant cobalt blue cut crystal ewer, adorned with a rich gilded bronze setting. The baluster-shaped body features remarkable faceted cutwork. It is topped by a neck and a flared spout with foliage motifs, complemented by a tall, curving handle. The piece rests on a base finely chiseled with foliage scrolls and rocaille ornamentation. French work from the second half of the 19th century, the Napoleon III period. In good overall condition, with slight signs of use and wear on the gilding consistent with its age, visible in the photos. H. 24 cm
