However, these watches are still pre-owned and may show some scratches or signs of wear. In addition, when necessary, the dials are restored by a master craftsman. It is also possible that the dials have been or may be replaced in the future with service dials as part of the refurbishment process for our watches. Since our timepieces are pre-owned, we do not provide a water resistance guarantee. We are, of course, happy to assist you and provide as much information as possible regarding the condition of these watches.

RETURN POLICY: Due to numerous instances of abuse, we would like to clarify that returns are accepted within 14 days, provided the item is returned in the same condition in which it was sold.
