

Still Life With An Old Book, Apples, And A Candleholder. France. Early 20th Century, France.

280 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on cardboard

Width : 31,6 cms à vue

Height : 21 cms à vue.

Description

A lovely still life featuring a large, old, leather-bound book, three red and yellow apples, and a copper candlestick resting on the book. Light coming from the right. The background is very dark, which really makes the elements of the still life stand out. Ordinary frame made of wood gilded with copper. France, early 20th century.
