

Fang Byeri Statue, Guardian Of A Reliquary, Gabon, N'tumu

2 200 EUR

Period : 20th century

Condition : Etat d'usage

Description

Byeri, Fang statue of a reliquary guardian, 52 cm tall, or 57 cm with its base. A simple, rough-hewn, and very impressive statue with a superb and significant ritual patina, dating from the first half of the last century, from my personal collection.
