Description

Solid Silver Chocolate or Tea Cup - Fizaine Silversmith
An elegant solid silver cup, complete with a saucer, crafted by the silversmith Fizaine. The set features a beautiful, slightly flared shape, enhanced by a rich engraved floral design featuring flowers, foliage, and botanical motifs. The cup has a finely crafted handle decorated with scrollwork, lending the set a touch of refinement. The saucer harmoniously echoes the cup's floral decoration. Given its proportions and presentation, this piece may have been intended for serving hot chocolate, tea, or another hot beverage, in the tradition of 19th-20th-century silver tableware sets. Specifications: * Material: solid silver * Silversmith: Fizaine * Total weight: 298 g * Design: floral, hand-engraved / engraved * Set: cup and saucer * Style: refined, botanical and
