Description

A beautiful walnut sideboard, richly carved with plant motifs and leafy scrollwork. The front features two doors with molded and richly carved panels, adorned with symmetrical compositions of foliage, flowers, and scrollwork. The doors are separated by a carved central post and embellished with metal hardware and lock plates featuring intricate decoration. The upper section features two drawers on the front, framing a central carved motif. The drawers are decorated with scrollwork, foliage, and Renaissance-inspired motifs. The piece is accentuated by a finely carved decorative frieze. The lower section is topped by a rich, scalloped crossbar, carved with volutes, foliage, and scrollwork, resting on small, intricately carved feet. The sides are constructed with flat
