

Napoleon III-style Mantelpiece Finial, Bronze By Coustoutou

1 200 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

A Napoleon III-era mantelpiece set consisting of a pair of candelabra made of marble, bronze, and regule, and an original black marble clock topped by the famous bronze statue of the Marly Horses by Coustou. What makes it unique is that it has two dials, one for the clock and a second for the barometer. The candelabras are 68 cm tall, and the clock is 64 cm tall by 52 cm wide. Working condition not guaranteed; no key.
