Description

A smoked glass table lamp, handcrafted using the hot-glass technique, with textural inclusions in shades of white, brick red, and black. Its wide, enveloping shape resembles that of a large seashell, giving the piece a sculptural and highly decorative presence. When lit, the lamp takes on a particularly evocative quality: the light, filtering through the bubbles and colored inclusions in the glass, creates a dynamic interplay of shadows and streaks of light in the surrounding space. Murano, 1960s. Condition: excellent; signs of wear and tear are due to use and age; the lamp is in working order. Dimensions: 40 x 30 x h 19 cm
