Description

A stunning vintage table lamp from the 1970s or 1980s, made of glazed and gilded porcelain by the renowned Italian manufacturer Porcellane San Marco in Nove (Veneto). The sculpture depicts a samurai or Asian dignitary sitting cross-legged. He is adorned in a magnificent deep wine-red/burgundy robe, enhanced by sumptuous fine-gold details (face, hands, floral motifs, and coats of arms). The contrast between the glossy glaze and the gilding lends a theatrical and elegant touch, typical of the Hollywood Regency style. Mark: Original mark present on the base (Porcellane San Marco - SM - N - Italia). The lamp is in working condition with its original electrical wiring. Dimensions: Height of the sculpture alone: 40 cm; with socket: 48 cm. Maximum width: 33 cm; depth: 21 cm.
