Description

Louis XIII-style walnut table from the Renaissance period, late 18th to early 19th century. A very attractive side table with its turned and stained wooden base and its magnificent tabletop featuring marquetry of various woods and tortoiseshell veneer. The beautiful contrasts give this side table or small desk an undeniable decorative appeal and a distinct sense of originality. A table that is uncommon, if not rare, on the market, in exceptional condition, suitable for a beautiful interior--whether classic or modern. Shipping available to France and worldwide via a professional, specialized carrier. Invoice and certificate provided. Pickup available on-site at Mas d'Avalrich, Montéscot 66200, Tel. 0611142533.
