Description

Pair of Silver-Plated Bronze Candlesticks - Louis XV Period, mid-18th century
Pair of Louis XV-era candlesticks in silver-plated bronze (or brass), dating from the mid-18th century
These candlesticks feature an elegant baluster shaft with beveled sides, resting on a substantial, octagonal base with stepped, ornate design
Fully disassemblable (using period threaded rods), these candlesticks are in superb condition. They display a patina from use on the silver plating, revealing the bronze primarily along the edges.
No major deformation; beautiful luster. Height: 26 cm
Shipping within France: 15 euros---
