

Stained Glass - Stained-glass Windows - Art Deco Folding Screen

9 000 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Length : 2x66 cm

Height : 203 cm

Description

These two Art Deco stained-glass windows transport us to the heart of a park featuring a fountain, tall trees, and pots overflowing with flowers. These two panels are assembled as a screen, which can serve as a divider between two spaces, but they can just as easily be placed in front of a window. Three small cracks, which do not interfere with the visibility or structural integrity of the stained-glass window, are visible on the left panel.
