

18th-century Painting, "naughty Scene In The Attic"

1 250 EUR

Period : 18th century

Condition : Très bon état

Material : Oil painting

Description

A stunning and original 18th-century oil painting on canvas. It depicts a playful scene between a young woman and a young man on a bed in the attic of a house. The partially nude young woman is sitting on the bed, stroking a small dog, while the smiling young man stands beside her. At the foot of the bed is a chair with clothes on it; to the side is a chest of drawers holding various items--the whole scene set in a cluttered bedroom. A high-quality French work in excellent condition, in its original frame. A daring and original scene for its time, depicting the lives of domestic servants.
