Description

A pair of late 19th-century Italian chandeliers made of metal and glass, each featuring eight lights. The supporting structure and arms feature elegant scrollwork, giving them a refined and sophisticated look. The decorative elements include pendants, finials, and rosettes made of clear and burnished glass, which reflect light in a striking way. These chandeliers are a testament to the craftsmanship of the era and are ideal for spaces that call for a touch of history and elegance. (E 14 light bulbs included with each chandelier. Product condition: Due to its age and wear, this chandelier may require restoration and likely has an electrical system that does not comply with current regulations. We strive to present the lamp's actual condition as completely as possible through the photos. If certain details
