Description

Rococo-style teardrop console table, crafted from finely carved and gilded wood, dating from the early 20th century in Italy. This piece features a tabletop with a refined faux-marble finish, which adds a touch of timeless elegance. The band beneath the top and the legs are embellished with carved details of foliage, volutes, and scrolls--typical of the Rococo aesthetic--which lend the piece an elaborate and decorative elegance. Ideal for enhancing an entryway or living room, this console table is a perfect example of Italian craftsmanship. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. Should any details not be clear from the photos, the information
