1 100 EUR

Period : 19th century

Condition : En l'etat

Material : Glass

Diameter : 85

Height : 90

Description

A late 19th-century Venetian blown-glass chandelier from the prestigious island of Murano. Characterized by an elegant and sophisticated design, it features five lights arranged on hanging arms. These are masterfully interspersed with floral and foliage details, which lend a touch of natural beauty and refinement. The transparent glass is enhanced by delicate golden hues, which capture and reflect light in an evocative way, creating a warm and inviting atmosphere. Perfect for spaces that aim to blend tradition and style, this chandelier exemplifies Murano's masterful craftsmanship. Includes 5 E14 light bulbs. Product condition: This lamp, due to its age and wear, may require restoration work and likely has an electrical system that does not comply with current regulations. We strive to present the
